This bulletin reminds timekeepers of early submission requirements for Pay Period 25 and special processing instructions for Pay Periods 25 and 26. Time and Attendance Reports (T&As) for Pay Period 25 require special recording instructions for employees in Leave Category 6. T&As for Pay Period 26 require special preparation to ensure accurate recording of emergency military leave and nonpay status hours.

Pay Period 25

- Early submission of T&As for Pay Period 25 is important because of the holiday season. T&As can be transmitted to the National Finance Center as early as Friday, December 22, 2006, but no later than the close of business on Tuesday, December 26, 2006. The first pass of PAYE is expected to run on December 28, 2006, and the second pass on December 29, 2006. It is important that someone be available as a T&A contact point on December 26, 2006, to answer questions about T&A processing problems.
- Full-time employees in pay status who normally earn 6 hours of annual leave for each full pay period (Leave Category 6) will accrue 10 hours of annual leave for Pay Period 25, the last full pay period of Calendar Year 2006.
- Leave will not be accrued by full-time employees in Leave Category 6 who are in nonpay status for all of Pay Period 25 or who reach a multiple of 80 hours of nonpay leave in this pay period.

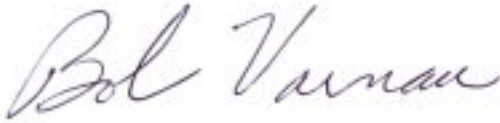

Pay Period 26

- Pay Period 26 is divided between the current and next calendar year. The preparation of a split T&A to record emergency military leave (Transaction Code 68) or nonpay status hours used in Pay Period 26 will ensure that these hours are charged to the appropriate year. If a split T&A is not prepared to record emergency military

leave or nonpay status hours used in Pay Period 26, these hours will be charged to the new calendar year.
